Registration Packet

Welcome to H.O.M.E. Classes!

H.O.M.E. Classes is a unique and exciting opportunity, for home schooled students whose parents wish to educate their children at home. HC provides parents with another option for their child's education.

Our Mission Statement

We are dedicated to helping families educate their children at home. It is our endeavor to provide affordable, academic instruction in a Christ centered atmosphere to home schooled students, and to inspire in them a love for learning. The parents of our students are ultimately accountable for the instruction, education, and training of their children as the Bible clearly stipulates in Deuteronomy 6:4-9. H.O.M.E. Classes is a tool, which will enhance your level of success!

"We believe partnering with parents to provide an excellent, Christ-centered education, to be a privilege!"

Statement of Faith

We Believe:

- ❖ In the truths of which the Christian faith is founded upon.
- ❖ The Bible is the absolute truth and is the holy, inspired, infallible word of God. It is the foundation of the Christian faith in which knowing Jesus Christ as Lord and Savior is the only way to Heaven.
- ❖ There is only one God, internally existent in three persons: God the Father, God the Son, and God the Holy Spirit.
- ❖ In the Deity of our Lord Jesus Christ, that He was born of a virgin and lived a sinless life.
- ❖ His death, burial, and resurrection, His ascension, and His bodily return to power and glory.
- ❖ Man is created in the image of God, fell into sin, and is therefore lost. Only through salvation and putting your trust and faith in Jesus Christ, can a man be saved and redeemed from a life of sin.
- ❖ Salvation is a free gift from God. It cannot be purchased, but rather received through faith, as a gift from God, because of Jesus Christ's payment for the penalty of mankind's sin.
- ❖ The ministry of the Holy Spirit is to bring conviction for sin, indwell in the believer, and empower the believer for godly service.
- ❖ We are not of any one denomination or faith, but rather a community of Christians coming together to raise and educate our children according to the Bible.

The following pages spell-out HC in detail. It is important to read all pages before registering with HC.

- ❖ Instructors and tutors of H.O.M.E. Classes are not necessarily certified in the subject they are teaching, but they are qualified by the love for the subject and a passion to help students succeed through their school years and to be prepared for college or wherever God guides them.
- ❖ HC administration determines the course content and the materials used for the classes. Our courses not only meet, but they exceed state standards as well.
- ❖ All instructors and tutors are required to sign and be in agreement with our Statement of Faith and Mission Statement.
- ❖ The H.O.M.E. administration maintains supervisory authority in all matters including, but not limited to tuition, fees, registration, discipline, and admissions acceptance or denial, etc.
- ❖ We cannot guarantee you will get the class(es) you request; however, each full class will maintain a waiting list.
- ❖ Students can participate in as many or as few classes as the parent's desire.
- ❖ Study Hall is provided for those students that need to stay on HC premises for another class or tutoring session.
- ❖ Students of H.O.M.E. Classes will be dropped off and then picked up at the end of their classes if they don't drive themselves.

DISCIPLINARY PROCEDURE

We are looking forward to a fun and rewarding year with all of our students! We, as instructors/tutors and administrators, desire to extend grace to our students at all times. However, it is necessary to create a procedure to follow if disciplinary action is needed. Our hope is that we will not have to use it!

Each instructor/tutor will be responsible for enforcing the Code of Conduct in his/her own class according to the following procedure:

- ❖ Students will receive one verbal warning in class concerning their inappropriate behavior.
- ❖ If a student has to be corrected again for the inappropriate behavior, the student will be pulled aside for a conversation about the problem and a note will be sent home to the parents to make them aware of the behavior. At this point, the student will receive a second disciplinary warning.
- ❖ The next time a problem arises with this student within this instructor's/tutor's classroom, the student will receive a third disciplinary warning, the HC director will be notified and will call the parents to discuss disciplinary action.
- ❖ If we find that a particular student is causing disciplinary issues in more than one class, one of two things may occur.
- ❖ The student may be asked to leave the program, or the student may be placed on probation for the remainder of the semester, during which time there will be a "one more warning and you're out" policy.
 1. The student may be asked to leave the program, or the student may be placed on probation for the remainder of the semester, during which time there will be a "one warning and you're out!"
 2. We desire to keep the lines of communication open with parents about the progress of their students. If parents will keep us informed of any concerns or problems as well, we will be able to work together to create a safe and rewarding atmosphere for all of the students at HC.
