

A WELCOME FROM *Our Family*

Dear Homeschool Family,

Welcome to H.O.M.E. Classes!

Whether you are just beginning your homeschool journey or have been homeschooling for many years, we are honored that you are considering partnering with us. We know firsthand both the joys and the challenges of homeschooling because our own family has walked this path.

H.O.M.E. Classes began in July of 2008 from a simple need.

As a homeschooling mom, I reached the point where I needed help teaching my own children high school math and science. I began asking other homeschool mothers if they had the same need, and many of them did. Then I asked another simple question:

“What subjects do you teach with excellence?”

God brought together mothers with unique gifts and talents, each willing to serve other homeschooling families by teaching in the areas where they excelled. Together, we created a place where parents could remain fully engaged in their children’s education while receiving support from trusted, Christ-centered teachers.

Just one month later, in August 2008, H.O.M.E. Classes welcomed its very first 20 students.

What began as a small group of homeschool families helping one another has grown into a thriving Christ-centered learning community that has served families throughout St. Tammany Parish for over 18 years.

In 2020, Bob joined me full-time in serving the families of H.O.M.E. Classes. Together, we have the privilege of encouraging parents, supporting students, and continuing the mission God placed on our hearts all those years ago.

One of the greatest blessings of this journey has been watching our own family grow alongside H.O.M.E. Classes. Two of our daughters graduated through H.O.M.E. Classes, and today we have the joy of watching our grandson continue that legacy as a student.

Our family’s story is deeply connected to H.O.M.E. Classes, but the greatest joy has been watching hundreds of other families become part of this community as well. Every student who walks through our doors is known, valued, encouraged, and challenged to become all God has created them to be.

Every decision we make is guided by one question:

*“How can we better
serve homeschool families?”*

Our desire is to come alongside parents by providing Christ-centered academic excellence, experienced teachers, meaningful relationships, and a community where every student is known, encouraged, and challenged to reach their God-given potential.

Thank you for considering H.O.M.E. Classes.

We would be honored to partner with your family and become part of your homeschool story.

May God richly bless your family as you continue this incredible journey.

*“Train up a child in the way he should go;
even when he is old he will not depart from it.”*

THE DIFFERENCE

is Life-Changing

You have options. We help you choose what's best for your child.

H.O.M.E. CLASSES vs. TRADITIONAL PUBLIC SCHOOL

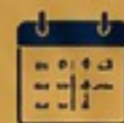

WHAT MATTERS MOST	H.O.M.E. CLASSES (Homeschool Learning Center)	TRADITIONAL PUBLIC SCHOOL
 INSTRUCTION Personalized & Purposeful	 Small classes, individualized attention, and Christ-centered teaching that meets your child where they are.	 Large class sizes with limited individual attention and a one-size-fits-all approach.
 ENVIRONMENT Faith-Centered Every Day	 Rooted in Biblical truth with prayer, discipleship, and values integrated into every subject and activity.	 Faith is not part of the curriculum, and spiritual formation is left to chance.
 FLEXIBILITY Life Happens	 Family-friendly schedules (M/W or T/Th), flexible options, and support that works with your lifestyle.	 Rigid schedules with limited options that don't allow room for family or life.
 COMMUNITY You Belong Here	 A close-knit community of homeschool families who encourage, support, and grow together.	 Less opportunity for meaningful relationships and true community.
 CHARACTER DEVELOPMENT Building More Than Grades	 We focus on the whole child—character, leadership, integrity, and a heart for serving others.	 Focus is often on test scores and academics, with little emphasis on character.
 PARENTAL PARTNERSHIP We're in This Together	 We partner with you, supporting your role as the primary educator of your child.	 Parents are often left out of the educational process and communication.
 SAFETY & FOCUS A Place to Thrive	 A safe, nurturing environment where students can focus on learning and growing.	 Distractions, peer pressure, and behavioral issues can interfere with learning.

Your child deserves more than an education.
They deserve a foundation for life.
